

For Sale, Land, Plot, Nicosia, Geri, 532m²

For Sale : **€ 145,000**

Description

Discover a sophisticated investment opportunity in the highly sought-after "Pen Hill" sector of Geri, Nicosia. Strategically positioned for Small Development and High-Value Living, this under-division residential plot offers an ideal balance of architectural flexibility and yield potential. With a robust Building Density of 80%, this site is a prime choice for developers looking to maximize floor area or for families seeking to build a grand, two-story custom home in one of the region's most exclusive residential enclaves.

The 45% coverage factor within the Kα7 Town Planning Zone ensures that any future project maintains an airy, high-end feel, providing ample footprint for premium outdoor features such as private swimming pools, expansive verandas, and landscaped gardens. As plots of land for sale in Geri continue to appreciate—particularly in prestigious neighborhoods like Pen Hill—this property represents a secure and strategic acquisition in the Cyprus real estate investment market.

Located directly opposite the scenic Pen Hill area, this plot offers a lifestyle where serene nature meets city convenience. Its proximity to authoritative landmarks like the Athalassa National Forest Park, the University of Cyprus, and The Mall of Cyprus ensures that your investment is anchored by the capital's most vital infrastructure and natural beauty. G&P Lazarou trusted properties brings over 32 years of market-leading expertise to this project, ensuring that all under-division requirements are met to the highest professional standards.
