Description
Elite Residential Plot in Logos Area – A Long-Term Investment for Family Living

Whether you are looking to build a custom sanctuary for your family or a smart investor seeking a land asset in one of Nicosia's most elite residential pockets, these two linked under-division plots in the Logos area of Strovolos offer the perfect blank canvas. Buying land in this prestigious and highly sought-after neighborhood provides the ultimate freedom to bring your architectural vision to life, surrounded by high-end villas and a community that guarantees long-term value. This site is a high-value residential opportunity specifically suited for those who prioritize privacy, space, and the security of a prestigious address.

Ideal for Custom Family Living

Boasting a prime position in a serene and upscale environment, this property is perfectly suited for the construction of a modern, spacious house. With a 60% building density and 35% coverage ratio under the Ka8 planning zone, the focus here is on quality of life and creating a personalized family home. The zoning ensures an environment of low-density housing, making it an ideal choice for those looking for plots of land for sale in Strovolos that offer a sense of seclusion and ample space for private gardens and outdoor living areas, consistent with the luxury standards of the Logos area.
