Description
FOR SALE 1 BEDROOM APARTMENT IN LATSIA, NICOSIA

Strategic Residential Investment in Latsia
Experience an exceptional and highly practical investment opportunity with this 1-bedroom apartment, situated within the prestigious, brand-new "Semeli and Dias Residences" project, currently under construction in the high-potential area of Latsia, Nicosia. This property represents a top-tier residential proposal, offering a solid and highly functional asset for your private living or a stable, high-yield investment opportunity. Designed for residents who demand the perfect balance of urban central proximity and contemporary lifestyle developments, the apartment is situated in a high-demand residential zone. Its strategic position ensures daily practicality for professional and personal routines, making it a secure choice in one of the capital's fastest-growing and most well-connected suburban districts.

Development Potential & High-Value Residential Features
The property features a modern, ultra-efficient, and contemporary living space designed to comply with high-standard European construction specifications. Falling within a highly sought-after development hub, the apartment offers a functional layout with one bedroom, engineered for maximum space optimization, structural versatility, and low-maintenance modern living. Being under construction, it provides an ideal timeline for finishing selections and custom adjustments, offering a substantial canvas for a high-quality lifestyle. Built using premium materials in a community known for its safe, organized neighborhood atmosphere and immediate access to necessary national infrastructure, this asset represents an ideal choice for long-term value appreciation.
