Description

High-Value Living and Long-Term Investment

This residential plot in Lythrodontas represents a premier opportunity for those seeking to build a custom residence in one of Nicosia's most tranquil suburban retreats. Falling within the H2 planning zone, the property provides a high building density of 90% and a 50% coverage factor, offering the ideal technical specifications for a spacious two-storey home that maximizes both indoor living area and functional outdoor gardens. A standout feature of this specific site is its exceptional natural setting, surrounded by mature pine trees and offering beautiful, unobstructed views that ensure a life of total privacy and quiet. In March 2026, Lythrodontas has seen a significant surge in interest from professionals prioritizing a wellness-first lifestyle, as the village provides a serene escape just 28 minutes from the capital's administrative core. This plot's unique combination of high development potential and a "sanctuary" atmosphere ensures a secure and appreciating asset, a standard of smart investment we have guided for 3 decades of experience.
