Description
This field in Kritou Tera offers 5686 m² of agricultural land in the Paphos countryside. The ground slopes and is irregular in shape. It sits in an open rural landscape away from dense development, and farming is its general use.

The Kritou Tera village centre is a short drive away. So are the neighbouring villages of Tera and Kato Akourdaleia, and petrol stations. Main roads are a drive away, and the Limassol–Paphos Motorway serves the wider region. The field has no direct road access. It is a versatile piece of agricultural ground with generous room for planting and cultivation.
