Description
Set in an open countryside setting outside Kallepeia, this agricultural field in Cyprus offers 3679 m² of farmland in the Paphos district. The ground is sloping and irregular in outline, and its agricultural zoning suits farming or planting. The land has no direct road access of its own. The village centre is a short drive away, as are the neighbouring villages of Letymvou and Pitargou. Petrol stations and the Limassol–Paphos motorway are within a drive. This is a versatile piece of agricultural land in the Kallepeia countryside.
