Description
In the countryside of Pigenia, in Nicosia District, this agricultural field lies a short drive from the village centre. Pano Pyrgos and Agios Theodoros Tillirias are also a short drive away. The land around it is forest and undeveloped parcels, which gives the area an open rural character.

The agricultural zoning makes the land suitable for farming or planting. The land has no direct road access on the ground. The sale is a 1/8 share of the field. It is a plain piece of farmland set among forest land.
