Description
A short drive from the heart of Pissouri village, this residential plot sits among homes and undeveloped parcels of land. Columbia Beach Resort is within a drive, so a day by the water fits easily into an ordinary week.

The land fronts a road, so it has direct road access, and water, electricity and telecommunication services already reach it. Its residential zoning allows a home of up to two floors, leaving you free to plan a house shaped around the way you like to live, from the layout of the rooms to the way the home sits on the land.

Daily life stays simple here. Supermarkets and shops are a short drive away, as is the village centre, where the morning coffee or an evening meal out becomes part of the routine. Picture settling into a home of your own design, with village life close by and the beach resort within reach.

There is room for a home here, with Pissouri village and Columbia Beach Resort both within easy reach.
