For Sale : **€ 125,000**

Description
A short drive from Pissouri village centre and within reach of the coast at Columbia Beach Resort, this residential plot sets the stage for a home of your own. Around it, residential developments sit alongside open parcels of land, giving the area a settled, lived-in character.

The land measures 757 m² and fronts a road, so it has direct road access. Water, electricity and telecommunication services already reach the plot. Its residential zoning allows a home of up to two floors, so the space can follow the way you want to live.

Picture a two-storey home taking shape here, with everyday life in Pissouri close at hand. Paphos International Airport, about 15 km away, keeps travel simple when you come and go.

With its road frontage, services in place and the village and the coast nearby, this plot in Pissouri is waiting for the home you have in mind.
