For Sale : **€ 245,000**

Description
Restaurants and cafés right beside it, shops within walking distance and the beaches around Coral Bay a short drive away. This residential field in Pegeia brings everyday convenience together with the relaxed coastal lifestyle the area is known for.

The land is generous, with a broadly regular shape, an even surface and direct road access. Its residential zoning suits a home, in a setting shaped by outdoor living and the Cyprus climate.

Life here is easy to picture. Medical centres, pharmacies, parks, petrol stations and the municipal stadium are all a short drive away, as is the Maa Palaeokastro Archaeological Site and Museum. A little further lie the Adonis Baths and White River Beach, and Paphos International Airport is about 20 km away.

This sale is for a three-fifths share of the land.

An even, accessible stretch of residential land within the village, with cafés on the doorstep and the coast close at hand.
