**Description**
Set in open countryside within walking distance of the centre of Neo Chorio, this agricultural field covers 8,696 m² of sloping, irregularly shaped ground. As agricultural land, it suits farming or planting.

The village lies in the Paphos district, a short drive from Latchi, Polis and Androlikou. Main roads and petrol stations are within a drive. The field has no direct road access of its own. It occupies a landscape-led setting away from dense development, a short way beyond the village houses. This is a generous, uncomplicated piece of farmland on the edge of a working Paphos village.
