For Sale : **€ 100,000**

Description
A sizeable field of agricultural land in the countryside around Choirokoitia, with the village centre and neighbouring Tochni a short drive away. The Nicosia–Limassol motorway and other main roads are also within easy reach, so getting to and from the land is straightforward.

The field is regular in shape with a slightly sloping surface, and it has direct road access. Some old metal-frame structures on the land are obsolete. This sale is for a three-quarter share of the field. It is a well-proportioned piece of farmland set in open countryside.
