For Sale : **€ 74,000**

Description
In the countryside of Kynousa, not far from the village's red lake, three neighbouring fields come together as one sizeable holding of 6,393 m². The ground slopes and the outline is irregular, giving the land an unforced, natural character within a relaxed rural corner of Paphos, away from dense development.

Two of the three parcels lie in a residential zone and offer room for a home, while the third is agricultural land suited to farming. All three are sold together as a single unit, so the residential and farming parts can be planned as one.

Village life is close at hand. Pelathousa and Makounta are a short drive away, and so are the green surroundings of Argaka, inviting slow afternoons and unhurried weekends. The land has no direct road access.

A quiet stretch of the Kynousa landscape, with room to settle and ground to tend, set close to the red lake.
