For Sale : **€ 74,000**

Description
Sea views across the surrounding area set the mood on this sloping residential field in Pomos, a village in the Paphos district. Imagine standing on the rise of the land in the evening, the sea stretched out beyond the village.

The field covers 2,335 m² in a regular shape, and it fronts a public road, so it has direct road access. Its residential zoning gives room for a home, on land with the sea in sight.

The village centre is a short drive away, and so is Pomos Reservoir, a nature spot close to home. Beyond Pomos, the neighbouring villages of Nea Dhimmata and Pachyammos are also a short drive off. Life here keeps the village and the outdoors within easy reach. The sale is of a 1/2 share of the field.

A sloping stretch of Pomos with a view of the sea, and a setting in which to picture a home of your own.
