Description
Set in open countryside close to Kynousa village in the Paphos district, this agricultural field covers 22,743 m². The ground is sloping and irregular in shape, and the land can be reached by road.

Its agricultural zoning makes it suitable for farming and planting. The village centre is a short drive away, as are the neighbouring villages of Pelathousa and Makounta and local petrol stations. The main roads are a little further. This is a sizeable, versatile piece of agricultural land in the Kynousa countryside.
