For Sale : **€ 30,000**

Description
In the village of Agia Marina, in the Chrysochous area of Paphos, this residential field lies close to the coastline, where village life and the shore are never far apart.

The land is regular in shape and even underfoot, so the outline of a future home is simple to imagine across its surface. Its residential zoning gives room for a home, and the whole field covers a sizeable 16,054 m².

Daily life here stays easy, with shops and a supermarket within walking distance. When the day calls for time outdoors, the Ayia Marina Reservoir is a short drive away.

The sale is for a 1/4 share of the field. Level ground, residential zoning and the coast close by make this a corner of Agia Marina worth getting to know.
