For Sale : **€ 191,000**

Description
Just inland from the sea and near the area of Venus Rock, this residential field sits in the coastal countryside of Kouklia, with the Sanctuary of the Paphian Aphrodite a short drive away. It is a setting where sea air and village life meet, an authentic alternative to town or resort living.

The land is large at 14,382 m², flat and regular in shape, so it is easy to read and to plan. A long frontage onto a dirt road gives it direct road access. Its residential zoning gives room for a home close to the shore, with the open, level ground to shape it around.

Daily life is easy to reach. The village centre, with its cafés and shops, is a short drive away, and Paphos International Airport is within a drive for trips abroad and back.

The sale is for a 1/2 share of the field. Level land, the sea close by and the storied landscape around Venus Rock make this an inviting corner of Paphos to imagine a relaxed island life.
