For Sale : **€ 150,000**

Description
Anarita's beautiful natural surroundings set the scene for this residential field. It lies close to the heart of the village and not far from the Asprokremmos dam, so the open landscape and village life are both within easy reach.

The land is large, at 5,701 m², and its even surface makes it easy to walk across and imagine a home taking shape here. It has direct road access, and its residential zoning offers room for a home in a village setting. Picture mornings in this natural landscape, with the village centre close by.

Paphos International Airport is a short drive away, which keeps journeys to and from the island simple. Beaches and Paphos Marina are a drive away for days by the sea.

The sale is for a 4/5 share of the field. It is a sizeable piece of even ground in Anarita's beautiful natural setting, close to the village centre, with room to plan a home.
