Village life in the Paphos hills starts with the right piece...

For Sale : **€ 145,000**

Description
Village life in the Paphos hills starts with the right piece of land, and this residential field for sale in Stroumpi offers just that. At 5184 m², it gives you real room to plan a home on residential land while staying part of an authentic Cypriot village.

The land has an irregular outline and a gentle slope, a shape that invites thoughtful design rather than a standard layout. It also has direct road access, which keeps everyday arrival simple.

Daily needs are within easy reach. The village centre, supermarkets, shops, cafés, restaurants and schools are all a short drive away, as are parks and green spaces. Neighbouring Polemi is also close. Main roads, motorway junctions, a medical centre and public service offices are a drive away, so Paphos and the wider district stay well connected.

Stroumpi offers a slower pace and a close-knit community, with a landscape-led setting away from dense urban development. Here a generous residential plot sits within real village surroundings, with space to shape a home around the way you want to live.
