For Sale : **€ 140,000**

Description
Village life in Pegeia starts right at the door of this single-storey home. A stroll takes you to cafés, restaurants and the local shops, so a morning coffee or the day's groceries never need the car.

Everything sits on one level. A kitchen, a living room and a separate dining room form the everyday heart of the house. Three bedrooms, a bathroom and a guest toilet complete the layout, and a basement below adds further space.

Outside is where the house comes into its own. Covered and open verandas and a courtyard invite slow breakfasts in the shade and long evenings in the open air. All of this sits on a large plot with direct road access. Built in 1985, it is a home ready for a new chapter of its story. The sale is of a 1/2 share of the property.

A village home with outdoor living at its centre, and the life of Pegeia just a short walk away.
