Description
On the edge of Tsada, where village life still sets the pace, this residential field in Tsada offers 3680 m² of land with real room to think about a future home. Two adjoining fields are offered together as a single holding, giving a generous and flexible canvas on a sloping site.

The village centre is a short drive away, with its cafés and restaurants, along with supermarkets, a pharmacy and medical centres for everyday needs. Families will note that both a local school and The International School of Paphos are within easy reach, while parks and sports venues add to the pleasures of the area. Neighbouring Mesogi is close by, and the motorway and Karavella Station in Paphos are a drive away.

With its residential zoning, this is land where a home can be planned in quieter surroundings, away from dense urban development yet never far from the conveniences of town. Tsada offers the authentic side of Cyprus, with traditional village charm and a close-knit community.

A generous stretch of residential land, rooted in a setting with a strong local identity.
