Description
A sizeable agricultural field in Drouseia, set in open Paphos countryside away from dense development. The land covers 15,562 m² of sloping, irregularly shaped ground. It is classed as a livestock field, which suits low-intensity farming and grazing. The field currently has no direct road access.

Main roads and petrol stations are a short drive away, as are the villages of Goudi, Chrysochou and Karamoullides. This is a generous, versatile piece of Cypriot farmland in the countryside around Drouseia.
