Description
The sea lies close by and the church of Agia Marina is only a short stroll away, giving this residential field a setting that is easy to grow fond of. Everyday shops are within walking distance, and the Ayia Marina Reservoir is a short drive off when you want open water and greenery. The old monastery at nearby Gialia adds a touch of local heritage to the area around you.

The land covers 3,103 m² of smooth ground with an irregular outline, and a rainwater stream runs across it. Its residential zoning gives room for a home, close to the coast and to the daily life of the community. The land has no direct road access.

Imagine the plans you could shape here, with the sea near and shops and the reservoir within easy reach. The sale is for a 1/2 share of the field.

A residential field near the sea, with the church of Agia Marina a short stroll away.
