

For Sale, Land, Field, Nicosia, Pyrgos Pano, 8,362m²

Village life and the sea are never far apart in
Pano Pyrgos....

For Sale : **€ 50,000**

Description
Village life and the sea are never far apart in Pano Pyrgos. From this sizeable field, the village centre is a short drive away and the beaches are within a drive, so a morning by the water and an evening back in the village can fit into the same unhurried day.

The land covers 8,362 m² and lies in a residential zone, which gives it room for a home in the Nicosia District countryside. Neighbouring Kato Pyrgos is also a short drive away, and Paphos International Airport is about 50 km off.

Imagine planning a home here at your own pace, with the everyday rhythm of the village close at hand and the Mediterranean shore within reach for slow weekends. The sale covers a 5/6 share of the land.

It is a generous piece of residential ground, with the welcoming village nearby and the coast a drive away.
