Description
A sizeable field is on the market in Kalavasos, Cyprus, set on a hillside a short drive from the village centre. At 14,047 m², it offers plenty of ground for farming or planting. The land slopes and has an irregular shape that follows the natural lie of the hill.

Services in Kalavasos are close by. The neighbouring villages of Tochni and Mari are a short drive away, and the Nicosia–Limassol motorway is within easy reach. This is a generous, versatile piece of agricultural land close to the village.
