Description
Set in open countryside outside the village of Choirokoitia, this agricultural field covers 28763 m² of farmland in the Larnaca district. It is a generous area for planting, cultivation or simply holding land in a rural setting away from dense development. The ground is sloping and irregular in shape, and the field is reached by an access road. The village centre and neighbouring Tochni are a short drive away, as is the Nicosia–Limassol motorway, which links the area to Larnaca, Limassol and Nicosia. This is a sizeable piece of Choirokoitia farmland with good motorway links.
