For Sale : **€ 35,000**

Description
An agricultural field for sale in Agios Theodoros, Cyprus, set in open countryside in the Larnaca district and a short drive from the village centre. The land covers 19603 m² and has a regular, well-proportioned shape on sloping ground, and it can be reached by road. Its agricultural zoning suits farming or planting.

The Larnaca–Limassol and Nicosia–Limassol motorways are a short drive away, as are the villages of Skarinou and Choirokoitia, so the field is easy to reach from across the island. This sale is for a three-quarter share of the field. It is a regular, sloping parcel of farmland in open countryside.
