For Sale : **€ 28,000**

Description
Agricultural land in Drouseia, set in an open countryside setting a short drive from the village centre. The field covers 3,679 m² of sloping ground with an irregular outline, suited to farming or planting in line with its agricultural zoning.

The neighbouring villages of Ineia and Tera are a short drive away, as are petrol stations, and the main roads are within a drive. The field has no road access of its own. This sale is for a two-thirds share of the field. It is a versatile piece of land in the Paphos countryside, with space for crops or trees on its inclined ground.
