For Sale : **€ 45,000**

Description
Village life sits right on the doorstep of this residential field on the market in Psevdas, Cyprus. The village centre is within walking distance, and the open, level ground offers a setting rooted in authentic Cypriot village life, away from dense urban development.

The land lies in a residential zone, which gives it the general use of a home. Its flat surface and generous size make it easy to imagine a house taking shape here, surrounded by the calm rhythm of the countryside and a close-knit community.

Everyday needs stay close at hand. Schools, supermarkets, cafés, restaurants and green spaces are all a short drive away, as are the neighbouring villages of Pyrga and Agia Anna. Easy access to the motorway links Psevdas with the rest of the island, and Larnaca International Airport is about 15 km away. This sale is for a share of the field.

For anyone drawn to traditional village charm with the convenience of good connections, this corner of Psevdas offers an honest, uncomplicated piece of the authentic side of Cyprus.
