Description
A sizeable field in Kato Drys, set in open countryside in the Larnaca district. The land covers 22,074 m² of agricultural ground. It is irregular in shape with a sloping surface, and it is reached by road.

Its agricultural zoning suits farming or planting. The village centre, the neighbouring village of Choirokoitia and the Nicosia–Limassol Motorway are all a short drive away, which keeps the main roads within easy reach. This is a versatile piece of land with generous room to work.
