**Description**
This 12041 m² agricultural field sits in the countryside around Kalavasos. The village centre is a short drive away, as are the neighbouring villages of Tochni and Mari. The Nicosia–Limassol motorway and petrol stations are also close by.

The land is irregular in shape, with a sloping surface, and lies in an open landscape away from dense development. It has no direct road access of its own, although the nearest road is only a short distance away. This is a generous stretch of open, sloping ground in the Kalavasos countryside.
