For Sale : **€ 76,000**

**Description**
Two adjoining agricultural fields in Thrinia are offered together as a single, generous holding in an open countryside setting. The ground is irregular in shape with a gentle slope. It has direct road access along one side and a pathway along another.

The village centre is a short drive away, as are the neighbouring villages of Lasa and Drymou. Main roads and a petrol station are within easy reach, and the Limassol–Paphos Motorway lies in the wider region. Zoned for agriculture, this is a versatile piece of land for farming or planting in the Paphos countryside.
