For Sale : **€ 24,000**

Description
A piece of the Cypriot countryside in the hills of Vavatsinia, this field covers 25419 m² of open, uneven ground in a landscape-led setting, well away from dense urban development. Its shape is irregular, and one side borders government land, which adds to the open feel around it.

The village centre is a short drive away, as are neighbouring Lageia and Vavla, and Pano Lefkara is also within reach. The motorway network linking Nicosia, Limassol and Larnaca is a drive away. The field has no direct road access of its own. This is a sizeable, uncomplicated parcel of rural land in the Vavatsinia countryside.
