Description
This sizeable agricultural field in Pigenia, in the Nicosia district, lies in open countryside a short drive from the village centre. At 14475 m², it offers generous room for planting, grazing or holding farmland in the area.

The ground slopes and the shape is irregular, following the natural lie of the land. The neighbouring villages of Pano Pyrgos and Agios Theodoros Tillirias are both a short drive away, as is a petrol station. Zoned for agricultural use, this is a versatile piece of land in the Pigenia countryside.
