Description
Pigenia agricultural land offers 6782 m² of open countryside in the Nicosia district. The field has an irregular shape and a sloping surface. It has direct road access, so it is easy to reach.

The village centre is a short drive away, as are the neighbouring villages of Selladi tou Appi and Agios Theodoros Tillirias. A petrol station is within driving distance. The land is zoned for agricultural use and suits farming or planting. This is a versatile field of generous size, with its own road access in an open countryside setting.
