For Sale : **€ 14,000**

Description
A short walk from the centre of Pano Pyrgos, this residential land of 1,032 m² places you within the life of a Nicosia district village, not far from Ayios Georgios Church. The ground is sloping and irregular in shape, set among the homes and familiar landmarks of the community.

Zoned for residential use, the land offers room for a home in a village with a strong local identity. Beaches are a short drive away, as is neighbouring Kato Pyrgos, so a day here can move easily from village life to the coast. Paphos International Airport is about 50 km away.

The land has no direct road access.

What stays with you is the setting: a place to put down roots close to the centre of Pano Pyrgos, with the sea within easy reach.
