For Sale : **€ 18,000**

Description
This flat field on the edge of Kornos sits in an open countryside setting in the Larnaca district. It is level and irregular in shape, with direct road access. Main roads run alongside, and the Nicosia–Limassol motorway is within walking distance. The Kornos village centre, the neighbouring villages of Pyrga and Mosfiloti, and petrol stations are all a short drive away, so the land is easy to reach from both Nicosia and Limassol. The whole field measures 4488 m². This sale is for a four-fifteenths share of the field. It is a level, well-connected piece of the Cypriot countryside.
