**Description**
Open countryside in Simou, not far from Evretou Dam, frames this 4348 m² agricultural field in Paphos district. As agricultural land, it suits farming or planting. The village centre and the neighbouring villages of Evretou and Filousa Chrysochous are a short drive away. Petrol stations and main roads are within a drive, and the Limassol–Paphos Motorway lies in the wider region.

The field is irregular in shape and the ground slopes. It has no direct road access. It is a versatile piece of farmland in the Simou countryside.
