Description
A sizeable agricultural field is for sale in Steni, Cyprus, set in an open countryside setting in the Paphos district. The land extends to 9,031 m², with a sloping surface and an irregular outline, and it is reached by road.

Its agricultural zoning suits farming or planting. The Steni village centre is a short drive away, as are the neighbouring villages of Peristerona and Agios Isidoros. Petrol stations are close by, and the main roads are within a drive. This is a versatile piece of land with generous room for cultivation.
