Description
In Episkopi, a short drive from the village centre and from the Limassol–Paphos Motorway, this agricultural field covers 14,892 m². The villages of Marathounta and Kallepeia are also a short drive away.

The ground has a smooth surface and an irregular shape, and the land fronts a public dirt road, so it has direct road access. Most of the land is zoned for agriculture and suits farming or planting. Part of it lies within a protection zone. Altogether, it is a sizeable field of smooth agricultural ground in the Episkopi area.
