Description
Set in open countryside outside Pigenia village in the Nicosia District, this agricultural field for sale covers 18395 m² of farmland, well away from dense urban development. The ground is irregular in shape with a sloping surface, and its agricultural zoning suits farming or planting. The surrounding landscape is rural, with the villages of Pano Pyrgos and Agios Theodoros Tillirias in the wider area. The field has no direct road access. It offers a generous area of open agricultural land in a landscape-led rural setting.
