For Sale : **€ 8,000**

Description
Village life in the Paphos district sets the tone for this residential field in Ineia, a generous 2342 m² of land close to the heart of the community. The village centre and its primary school are nearby, and supermarkets and shops are within walking distance, so everyday errands stay simple.

The land has an irregular shape, a smooth surface and an easterly aspect, with direct road access. Its residential zoning makes it a setting for a home, surrounded by authentic village life. The neighbouring villages of Drouseia and Kato Arodes are a short drive away, as are restaurants, cafés, parks and green spaces.

When the coast calls, the beach at Toxeftra is within a drive. Paphos International Airport is about 25 km away, which keeps trips to and from the island straightforward, and main roads and a bus station are also within reach.

This sale is for a one-fifth share of the land.

A residential setting in a traditional village, with shops on foot and the coastline within a drive, Ineia offers the authentic side of Cyprus.
