Description
Set in open countryside outside the village, this agricultural field in Choirokoitia covers 9365 m² of sloping ground. It is agricultural land suited to farming or planting, and it has road access. Its irregular shape follows the natural slope of the land.

The village centre is a short drive away, as are neighbouring Skarinou and Tochni. Petrol stations and main roads are close by, and the motorway linking Nicosia, Limassol and Larnaca is within easy reach. This is a generous field of open agricultural land within a well-connected part of Larnaca district.
