For Sale : **€ 10,000**

Description
In open countryside close to Peristerona village in the Paphos district, this agricultural field covers 7358 m² of farmland. Its almost rectangular shape gives it a well-proportioned layout. The sloping ground lends itself to farming or planting, in line with its agricultural zoning.

The village centre and petrol stations are a short drive away, as are the neighbouring villages of Meladeia and Lysos, set in a landscape away from dense development. The field does not have direct road access of its own. This sale is for a one-quarter share of the field. It is a versatile piece of Peristerona farmland on open, sloping ground.
