Description
Set in an open countryside setting within the Ineia community, this agricultural field in the Paphos district offers 9031 m² of farmland. The ground is sloping and irregular in shape, and the field has direct road access.

The neighbouring villages of Androlikou and Fasli are a short drive away, as is Peyia, and the main roads are within a drive. Its agricultural zoning suits farming or planting, and the field would make a practical addition to an existing rural property.

This is a generous, versatile piece of agricultural land in the Ineia countryside.
