Description
An open agricultural field in Alaminos, set in the farming countryside of coastal Larnaca district. The land covers 10,935 m² of agricultural ground, with an irregular outline and a gently inclined surface that follows the natural lie of the landscape. There is no direct road access to the field. Alaminos village centre is a short drive from the area, as are neighbouring Kofinou and Agios Theodoros, with the Larnaca–Limassol motorway and petrol stations also a short drive away. This sale is for a half share of the field. It is a sizeable piece of agricultural land in an open rural setting.
