For Sale : **€ 13,500**

Description
Open countryside surrounds this agricultural field in Alaminos. The village centre is a short drive away, as are the neighbouring villages of Anafotida and Menogeia. The Larnaca–Limassol motorway is also within a short drive, which makes the wider district easy to reach. The land is zoned for agricultural use. It has an irregular shape and sloping ground, and it has no direct road access of its own. It could be a practical addition to an existing agricultural holding nearby. This sale is for a share of the land, spread across two parcels. This is farmland in a landscape-led setting, away from dense urban development.
