Description
Outside the village of Lasa in the Paphos countryside, this agricultural field covers 16,723 m² of sloping, irregularly shaped ground. It is reached by road, the neighbouring village of Drymou is a short drive away, and main roads are within a drive. The Evretou dam lies within reach of the land.

Most of the field sits in an agricultural zone suited to farming and planting. A small part falls within a protection zone. It is a sizeable piece of sloping farmland in the countryside around Lasa.
