For Sale : **€ 45,000**

Description
A sizeable field in Psathi offers 12,710 m² of open agricultural land in the Paphos countryside. The ground is irregular in shape and sloping, and a dirt track runs across part of it. Its agricultural zoning makes it suited to farming or planting.

The centre of Psathi is a short drive away, as are the neighbouring villages of Agios Dimitrianos and Thrinia. A petrol station and the main roads are within a drive, and the Limassol–Paphos motorway can be reached in the wider region. This is a generous, uncomplicated piece of farmland with plenty of room to cultivate.
