Description
A generous agricultural field in Stroumpi, set in open Paphos countryside a short drive from the village centre. The land extends to 12,041 m². It has an irregular shape and a sloping surface, and it is reached by road.

Its agricultural zoning suits farming and planting. The neighbouring villages of Giolou and Polemi are a short drive away, petrol stations are close by, and the Limassol–Paphos Motorway is within a drive. This is a versatile piece of land in a landscape-led setting away from dense development, on the rural edge of Stroumpi.
